Mr. LUTHER changed his voted from "nay" to "yea."

So the joint resolution was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. SHAW. Mr. Speaker, on rollcall vote number 596, that was the temporary continuing resolution, my vote was recorded incorrectly. I was present on the floor and I did vote "yes," and as a matter of fact I checked the board to double-check to see that I was recorded and saw the green light next to my name. It has been brought to my attention that my vote was incorrectly recorded as voting "no."

Mr. ABERCROMBIE. Mr. Speaker, earlier today when the House voted on House Joint Resolution 80, to extend the continuing resolution for 24 hours, I was unavoidably detained. Had I been present, I would have voted "yes".

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. PEASE). Pursuant to clause 8 of rule XX, the Chair announces that he will postpone further proceedings today on each motion to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote is objected to under clause 6 of rule XX.

Any record votes on postponed questions will be taken later today.

HOLDING COURT IN NATCHEZ, MISSISSIPPI

Mr. HYDE. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 1418) to provide for the holding of court at Natchez, Mississippi, in the same manner as court is held at Vicksburg, Mississippi, and for other purposes, as amended.

The Clerk read as follows:

S. 1418

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. HOLDING OF COURT AT NATCHEZ, MISSISSIPPI.

Section 104(b)(3) of title 28, United States Code, is amended in the second sentence by striking all beginning with the colon through "United States".

SEC. 2. HOLDING OF COURT AT WHEATON, ILLINOIS.

Section 93(a)(1) of title 28, United States Code, is amended by adding after Chicago "and Wheaton".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Illinois (Mr. HYDE) and the gentleman from New York (Mr. WEINER) each will control 20 minutes.

The Chair recognizes the gentleman from Illinois (Mr. HYDE).

GENERAL LEAVE

Mr. HYDE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and to include extraneous material on S. 1418.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Illinois?

There was no objection.

Mr. HYDE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of S. 1418, as amended. It contains two small but important provisions that will improve the efficiency of the administration of justice in our Federal court system.

Section 1 was approved in the House by unanimous consent. This section proposes to allow for the holding of court in Natchez, Mississippi, in the same manner as court is held in Vicksburg. It would eliminate a provision in current law that limits the authority of the Federal courts to lease space in order to convene proceedings in Natchez, Mississippi.

While only a small number of Federal court cases are now tried at Natchez County Court facilities, it is important that the Federal Government be able to continue using the facility.

I have a manager's amendment that adds Section 2 to the bill. Section 2 designates Wheaton, Illinois, as a place of holding court for the Eastern Division of the Northern District of Illinois.

Wheaton is the seat of DuPage County, Illinois. Because of the large population growth in DuPage County and the area surrounding Chicago, it would be beneficial to designate Wheaton as an additional place of holding court.

Mr. Speaker, these are simple yet significant improvements to the Federal judicial system. I urge my colleagues to support S. 1418.

Mr. Speaker, I reserve the balance of my time.

The SPEAKER pro tempore. Without objection, the gentleman from Mississippi (Mr. SHOWS) will claim the time of the gentleman from New York (Mr. WEINER).

There was no objection.

Mr. SHOWS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, today I urge the House to pass S. 1418, which would provide for the holding of Federal court in the City of Natchez, Mississippi.

□ 1115

Federal judges need the flexibility to hold court in different places within their judicial districts. However, the hands of Federal judges in the southern district of Mississippi are tied because of arcane language in Federal law. Language was written into law sometime ago that said the court could meet in Natchez "provided, that court shall be held at Natchez if suitable quarters and accommodations are furnished at no cost to the United States." To my knowledge no other city presents this kind of obstacle to the Federal courts. S. 1418 strikes this unfair and restrictive language and gives the court flexibility to meet in Natchez. And who would not want to meet in Natchez, a beautiful city in Mississippi? I appreciate the efforts of Senator THAD COCHRAN and the gentleman from Illinois (Mr. HYDE) to expedite the passage of this important legislation. I urge my colleagues to pass this fair and non-controversial bill.

Mr. Speaker, I yield back the balance of my time.

Mr. HYDE. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. PEASE). The question is on the motion offered by the gentleman from Illinois (Mr. HYDE) that the House suspend the rules and pass the Senate bill, S. 1418, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill, as amended, was passed.

A motion to reconsider was laid on the table.

RAILROAD POLICE TRAINING AT FBI NATIONAL ACADEMY

Mr. HUTCHINSON. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 1235) to amend part G of title I of the Omnibus Crime Control and Safe Streets Act of 1968 to allow railroad police officers to attend the Federal Bureau of Investigation National Academy for law enforcement training.

The Clerk read as follows:

S. 1235

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. INCLUSION OF RAILROAD POLICE OFFICERS IN FBI LAW ENFORCEMENT TRAINING.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Arkansas (Mr. HUTCHINSON) and the gentleman from New York (Mr. WEINER) each will control 20 minutes.

The Chair recognizes the gentleman from Arkansas (Mr. HUTCHINSON).

GENERAL LEAVE

Mr. HUTCHINSON. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous material on the Senate bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arkansas?

There was no objection.

Mr. HUTCHINSON. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am pleased to rise in support of this important legislation which was unanimously approved by the other body last week. The bill amends 42 USC 3771(a) to authorize railroad police to attend the FBI's training academy in Quantico, Virginia. Current law permits State and local law enforcement agents to take advantage of the unique and high quality training available at the FBI academy, and this legislation merely adds railroad police officers to the list of approved personnel. Why do we need this?

Railroad police increasingly are being called upon to assist Federal, State and local law enforcement agencies. Investigation and interdiction of illegal drugs crossing the southwest border by rail car, apprehension of illegal aliens using the railways to gain entry into the United States and investigating alleged acts of railroad sabo-

tage are just some of the law enforcement functions being performed by the railroad police.

As just an aside, Mr. Speaker, I would like to note that according to recent congressional testimony, in 1998 alone, over 33,000 illegal aliens were found hiding on board Union Pacific railroad cars. As sworn officers charged with enforcing State and local laws in any jurisdiction in which the rail carrier owns property, railroad police officers are actively involved in numerous investigations and cases with the FBI and other law enforcement agencies.

For example, Amtrak has a police officer assigned to the FBI's New York City Joint Task Force on Terrorism and another assigned to the D.C./Baltimore High Intensity Drug Trafficking Area to investigate illegal drug and weapons trafficking. Union Pacific railroad police receive 4,000 trespassing calls a month, arrest almost 3,000 undocumented aliens per month and arrest an average of 773 people a month for burglaries, thefts, drug charges, and vandalism.

This past summer, the FBI, local police and railroad police launched a 6-week manhunt in and around the Nation's rail system to apprehend a suspected serial killer. The suspect, a railriding drifter, has been linked to nine slayings and is responsible for spreading terror from Texas to Illinois. The railroad police were asked to play an important role in this search and would have been much more prepared to face the situation had they received equivalent training.

Improving the law enforcement skills of railroad police will improve this interagency cooperation, ultimately making the rail system safer for America's travelers. Some Members have asked about the cost of this. I want to assure this body that all costs associated with the training of railroad police, their travel, tuition, and room and board will be covered by their employer. The rail lines acknowledge this responsibility and are committed to financing the costs of the training. This bipartisan legislation introduced by Senators LEAHY and HATCH is supported by the FBI, the International Association of Chiefs of Police, and the Association of American Railroads, a trade association which represents North America's major freight railroads, including Union Pacific, Norfolk Southern, Kansas City Southern, Illinois Central, CSX, Conrail, and Amtrak. Mr. Speaker, I am unaware of any opposition to this legislation and urge my colleagues to support it.

Mr. Speaker, I reserve the balance of my time.

Mr. WEINER. Mr. Speaker, I yield myself such time as I may consume. The FBI is currently authorized to offer the superior training available at the FBI's National Academy only to law enforcement personnel employed

by State or local units of government. However, police officers employed by railroads are not allowed to attend this Academy despite the fact that they work closely in numerous cases with Federal law enforcement agencies as well as State and local law enforcement.

A recent example of this cooperative effort is the Texas railway killer case. Providing railroad police with the opportunity to obtain the training offered at Quantico would improve interagency cooperation and prepare them to deal with the ever-increasing sophistication of criminals who conduct their illegal acts either using the railroad or directed at the railroad or its passengers.

Railroad police officers, unlike any other private police department, are commissioned under State law to enforce the laws of that State and any other State in which the railroad owns property. As a result of this broad law enforcement authority, railroad police officers are actively involved in numerous investigations and cases with the FBI and other law enforcement agencies.

For example, Amtrak has a police officer assigned to the New York Joint Task Force on Terrorism which is made up of 140 members from such disparate agencies as the FBI, the U.S. Marshals Service, the U.S. Secret Service and the ATF. This task force investigates domestic and foreign terrorist groups in response to actual terrorist incidents in my home area, Metropolitan New York.

With thousands of passengers traveling on our railways each year, making sure that railroad police officers have available to them the highest level of training is in the national interest. The officers that protect railroad passengers deserve the same opportunity to receive training at Quantico that their counterparts employed by State and local governments enjoy. Railroad police officers who attend the FBI National Academy in Quantico for training would be required to pay their own room, board, and transportation. This legislation, as my colleague pointed out, is supported by the FBI, the International Association of Chiefs of Police, the Union Pacific Company, and the National Railroad Passenger Corporation. I thank Senator LEAHY for his work on this issue. I urge its passage.

Mr. Speaker, I yield back the balance of my time.

Mr. HUTCHINSON. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arkansas (Mr. HUTCHINSON) that the House suspend the rules and pass the Senate bill, S. 1235.

The question was taken; and (two-thirds having voted in favor thereof)

the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.
